**The Great Rake
Saturday, April 7, 2018
8 am - 1 pm**

Our elderly neighbor's independence depends on us helping out! Can you donate a little time to help local elderly Oakland residents? All you need to bring is your RAKE. We will meet at 8 am at various staging centers around the county where everyone will receive a t-shirt and their assignments. Please let us know what area you would be interested in.
